

# Beast Market

(2008)

Huddersfield 2008: An ordinary town in Yorkshire or at the centre of world events?

In the view of some, the old Beast Market's seen better days, but can the new communities cast a different light on what it means to be British in the 21<sup>st</sup> century?

In this powerful production of verbatim theatre, Chol Theatre gathers the diverse voices of Huddersfield to take a fresh, funny and frank look at what's happening under the surface of this Pennine town. Beast Market blends storytelling, images, movement and live music.

Beast Market premiered on the 12<sup>th</sup> of March 2008 at the Lawrence Batley Theatre, Huddersfield.

*"...a flavour of the quirkiest and sometimes challenging aspects of life...exploring how ordinary people are linked to extraordinary times."*
